The Natural Reserve

Situated in the beating heart of Tuscany, in San Marcello Piteglio, Oasi Dynamo Nature Reserve climbs up to 1,100 meters high. A former hunting reserve, today it is a model of environmental sustainability and social responsibility on a national level. A predominantly wooded area, home to pristine flora and fauna, it is a sanctuary for rare plant species and home to a great variety of animals, including wolves and deer.

Dining Options

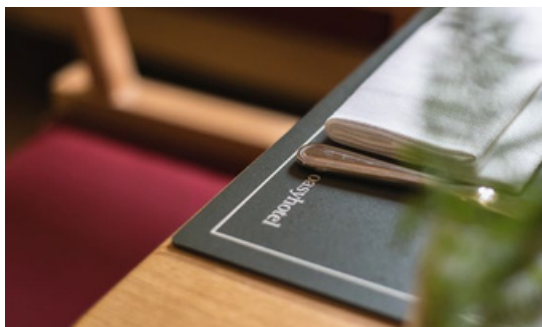

oasyhotel

Oasyhotel offers three different dining options to satisfy even the most demanding palates. Between the two restaurants, Le Felci and Casa Luigi Farmhouse, and our small Bistrot you will never run out of savory dishes to enjoy. Our fine wine cellar and ample cocktails and drinks selection will complement well every one of your meals. All the ingredients used come from local suppliers and our own farm and dairy.

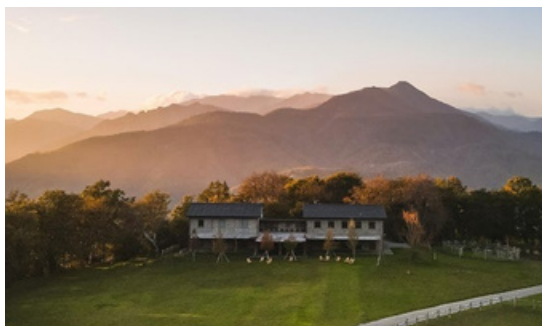

LE FELCI RESTAURANT

Local recipes and traditional Tuscan cuisine are combined to inspire our menu, enhanced by methods and techniques of our Chef. Serving breakfast and dinner, Le Felci's focus revolves mainly around the purest Italian cuisine, characterized by home made fresh pasta, locally sourced meat, garden products and of course fresh bread and extra virgin olive oil.

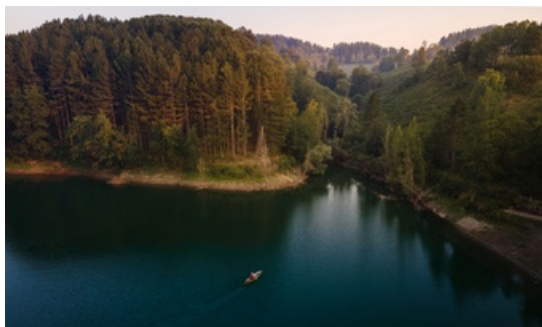

LE FELCI BISTROT

Suitable for light lunches and ideal for aperitifs, afternoon breaks and cocktails, our Bistrot is located just by the side of the main reception. Le Felci Bistrot displays a simple yet tasteful selection of innovative bar food inspired by the Italian tradition and Oasyhotel international vocation, surrounded by a comfortable and relaxing atmosphere.

CASA LUIGI FARMHOUSE

Located in an old Podere (farmhouse), Casa Luigi is a typical Tuscan Trattoria, where you can taste the best the traditional Tuscany cuisine has to offer in a spectacular location. It also hosts one of the Reserve Visitor Centres and it is part of the OCA, Oasy Contemporary Art. Casa Luigi is open from June to November.

SAN VITO LAKE

At the lake you may be served drinks from the kiosk, and order our food tray as lunch picnic, starting from minimum two people.

Activities

oasyhotel

Within your stay, there are many activities you may benefit from, such as water sports at the private lake, use of E-bikes and tennis courtyard, as well as dedicated experiences.

Activities included

oasyhotel

KAYAK & SUP

In the heart of the oasis is San Vito Lake, an artificial basin with incredibly clean water. What better opportunity to enjoy a few hours of sport in the mist of silence and nature. Here, hidden by the wildest surroundings, you will practice stand up paddle and kayak sports. Healthy, relaxing, and suitable for everyone. Thanks to its calm waters, San Vito Lake is perfect for approaching these sports and putting balance and endurance to the test. There is no better way to admire nature than from the water's edge of our private lake.

PATHS & TRAILS

At the top of our reserve lie 45 kilometres of well-maintained paths and trails of various grades of engagement, some more challenging than others, planned for both hikers and cyclists. Ride safely, without haste and without leaving a trace, along itineraries on a human and environmental scale, designed to allow you to savor and enjoy the wonders of nature and the traditions of our territory. Thanks to our e-bikes with pedal assistance, you will be able to spend an unforgettable day of sport with your friends or family.

TENNIS

Our tennis facility displays a court in a beautiful natural setting. Nestled in a valley slowly degrading to the lake, this courtyard provides you with the opportunity to relax and play this beautiful sport with your family and friends or our tennis teacher. Please refer to the concierge team to reserve your preferred time slot and access to the ground. Grass court shoes are required to play on our tennis court.

SWIMMING

Beside sunbathing and kayaking around, at the lake it is also possible to enjoy a peaceful and invigorating swim inside our lake- shore bio- swimming pool. The floating wooden structure of the pool channels the chill and clear water of the lake in a controlled and regularly sanitized space, permitting our guests an unusual but safe swimming experience. Access to the swimming pool is strictly permitted only in presence of a life guard.

WILDLIFE TOUR

Embark on a walking tour through our 1,000 hectares of untouched land with expert guides. Explore the rich biodiversity of the reserve, encountering all sorts of wildlife, rare plants, and ancient trees. Experience the changing light of the forest as you delve into its depths. Our tours emphasise respect for the environment, focusing on silent observation and deep listening. With some luck, you may spot deer or even wolves. Our guides will share insights into the lives of the creatures who live here, aided by video footage from strategically placed camera traps.

Duration: 2 hours

FORAGING

Join a guided foraging tour that takes you through our vegetable gardens and the surrounding woods. Learn about the ancient practice of gathering wild foods and medicinal plants. This activity enhances your awareness of the natural world and offers a slower, more mindful approach to living.

Duration: 1.50 hours

BUSHCRAFT

Develop essential survival skills in our bushcraft sessions. Learn how to build emergency shelters, filter river water for drinking, and create survival tools from natural materials. Guided by experts, this activity provides valuable knowledge and a deeper appreciation for nature's resources – it's an excellent option for families.

Duration: 2 hours

ORIENTEERING

A chance to get lost, then find your way back again. Experience the thrill of exploration through orienteering, a stimulating activity that hones your navigational skills. Armed with a map and compass, participants venture off-road to locate orienteering flags hidden among the meadows and woodland. This activity not only challenges your physical abilities but also encourages a deeper connection with the natural environment.

Duration: 2 hours

CHILDREN ACTIVITY

Our younger guests can delight in a variety of entertaining recreational activities designed to connect them with nature. From creating seed-paper to short treks in the woods, children will learn about the reserve's diverse wildlife. Activities are tailored to suit different age groups and weather conditions, ensuring a fun and informative experience for all.

Duration: 1.50 hours

GUIDED BIKE TOUR

Discover hidden routes of the Reserve with our guided e-bike tours. After an introductory session to familiarise yourself with the bikes, embark on a journey through dense beech woods and up to viewpoints for stunning panoramas of the Tuscan-Emilian Apennines and the Apuan Alps. This activity combines the thrill of biking with the beauty of the natural landscape.

Duration: 2 hours

MASSAGES & TREATMENTS

As per price list

At Oasyhotel we display two comfortable massage cabins as well as an open-air wooden platform for treatments in the forest.

Our wellness treatments vary from physical exercises and stretching to incentive deep breathing, to reflexology and forest path, regenerating body health and the whole physical balance.

GROUNDING

Extra charge EUR 220.00

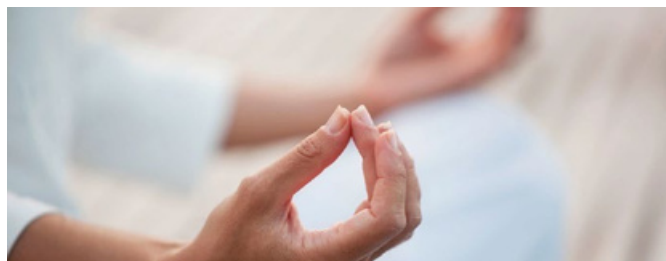

This experience begins with a short guided walk in the woods with our therapist, who will assist you with physical grounding and breathing exercises. After returning, and after enjoying a warm, relaxing herbal tea, we will accompany you to our massage area for the ritual.

This ritual involves the use of peat mud with anti-inflammatory, muscle-relaxing, and detoxifying properties, combined with soothing oils and hot stones, ideal for relaxing the muscles.

The experience is completed with an open-air massage, offering full immersion in nature.

This activity is designed to rejuvenate the body and restore physical balance, leaving you refreshed and revitalized

Duration: 2.50 hours

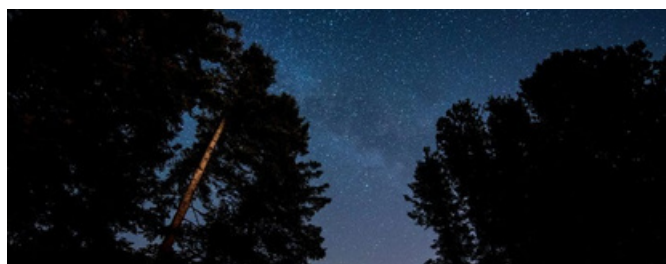

YOGA

Extra charge EUR 140.00

Elevate your sense of peace and well-being with our outdoor yoga sessions. Taking place at some of the most panoramic locations within the reserve, at sunrise or sunset, these sessions allow you to synchronise with the natural rhythms of the environment.

Duration: 1 hour

INTO THE NIGHT

Extra charge EUR 180.00

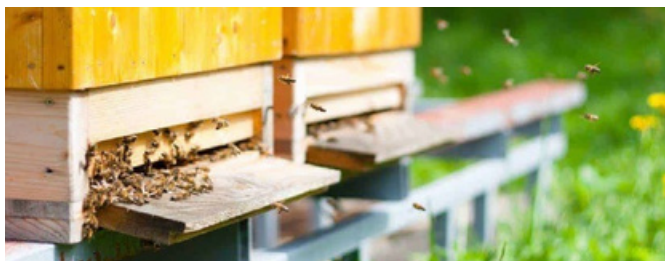

Experience the forest in a new light — or rather, the lack of it. This night walk, guided by flashlights and thermal cameras, takes you out to explore the forest's nocturnal side. As you traverse the darkened paths, listen to the sounds of the night and enjoy tales of the woods and the stars from our knowledgeable guides. This adventure culminates in a visit to one of the reserve's secret areas and a surprise experience.

Duration: 2 hours
